First the Fun stuff!!

Tombola

We have arranged a Tombola, aka a grabbelton, where you can win a brand new pair of free dancing shoes!! It will be located at the ticket scan, so that you can buy your tombola tickets as you come in. It is only open during dinnertime. It works as follows:

Every participant can buy up to 5 tickets, which are €1 each (sounds too good to be true, doesn't it?) You put your tickets in the Tombola, and after the shows, we will draw one ticket out of the Tombola. The person that bought this ticket is the winner of a pair of dancing shoes provided by Excento, the indisputable dancing-shoe experts of Noord-Brabant.

This means more tickets = higher winning chance! To buy a ticket, you either pay by cash or you scan a QR code that is provided to you. This QR leads to an open payment request, where you pay for your tombola tickets. May luck be on your side this day !!

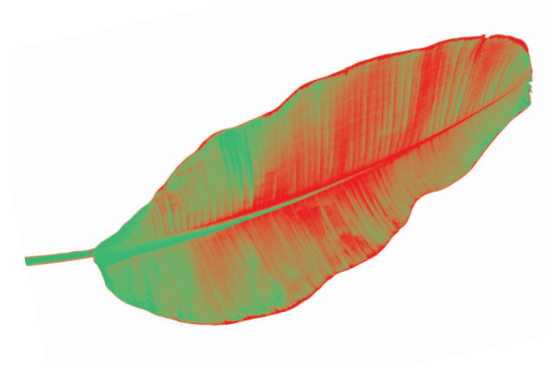

Photo wall

A photo wall will be present, in our colorful BailaLuz theme! Gather your friends, your dancing partner, or any number of strangers, and use your phones to capture a memory of the evening!

Photographer

During the day and during the social, our photographer will be present to capture your best poses and moves! The pictures will be published some time in the weeks after the event. Feel free to also take as many pictures and videos as you like yourself!

You have agreed to having your likeness captured and published when you bought your ticket, through our terms & conditions. However, if you do have a problem with this, come to us and we will see what we can do.

The Event

Workshops

During every time slot, you have the choice between either of 2 workshops. Be there on time, bring some water, and enjoy learning from some of the best dancers in the country!

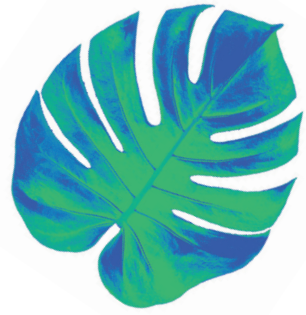

Social

In the evening, there is a 2-room social. Enjoy the high intensity Sala del Sol, where 100% salsa is played, or the bachata-only Sala de la Luna!

Shows

At 22:00, the social in both rooms is paused to draw your attention to shows performed by student teams from Delft, Leiden, Groningen, Eindhoven and Amsterdam, in la Sala del Sol. This year we also have local superstars Ysa & Iris performing their own show. Come watch these future stars give it their all!

Food

We have ensured that a delicious and affordable dinner option is available for you. This year the food will be prepared by the in-house staff of the venue. There will be a pasta and pizza dinner. The pizza options will be:

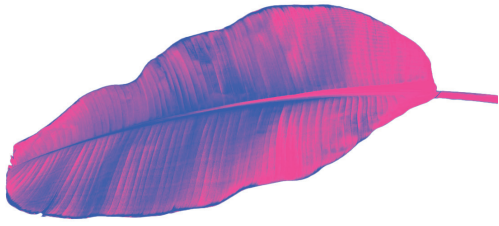

- margherita
- ham + mushrooms
- spinach and gorgonzola
- salami

Additionally, there is a pasta pesto option which can also be made gluten and lactose free.

It is important you buy your food ticket in advance of the festival. The latest date on which you can purchase a food ticket is on the 1st of July. A ticket costs 10,-.

Between 17:30 and 20:00 you can go to the dining room if you purchased a dinner ticket to get your food, which can be consumed in the dining room or somewhere else. You do not need to indicate your preference beforehand but can choose from the available option.

During the day, you can purchase snacks at the bar. Lunch will not be provided, so if you have not had lunch before you arrive, be sure you bring some food with you so you have enough energy to dance! Bringing your own dinner is also allowed, if the Italian option doesn't suit your wishes for any reason.

Drinks

Since it might get a little warm inside the event location due to all the dancing, it is important you make sure to drink enough water! Make sure you bring a water bottle which you can refill during the workshops only. In the evening during the party drinks can only be purchased at the bar.

This year we provide a special customized BailaBooze cocktail! Both with and without alcohol.

Additionally, we have arranged some large cooling fans to keep you cool during the event!

Rules

Of course we hope that most of the rules are common sense and hopefully it won't be necessary. However, to secure a safe and fun dance space, we do want to highlight the importance. By entering the festival, you agree to the following rules:

- Dance safely with your partner and other dancers that are on the dance floor. Mind your steps and respect each other's space. If the floor becomes slippery, notify us.
- Treat anyone you dance with with respect, and do your best to make them feel comfortable!
- Please take care of your personal hygiene. The bathrooms can be used to freshen up!
- Violence in any form in any amount will not be tolerated.
- Do not cause disturbances to the general atmosphere by making loud noises or by being overly messy.
- Going outside to catch some fresh air is always allowed, but do not cause any disturbances in the area.
- We reserve the right to remove you from the festival if you break any of the rules above, refuse to follow instructions or if any of your actions are deemed to cross a border by the organization or staff.

Whatever happens, the organization and staff have the final say and the authority to act in their own, the dancers' or the event's best interest.

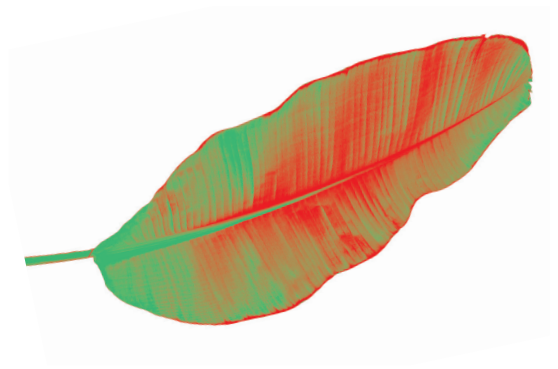

Safety & Emergencies

The festival will have around 300 dancers in one location. We value the safety of every dancer and prioritize making this event go as smoothly, safely and securely as possible. Therefore we would like to ask you to keep an eye out during the event, and notify us, one of the members of the organization (You can recognize us by our clothing, which has a large BailaLuz logo!) if something undesirable happens to you or someone else.

- In any case something happens to a dancer, go to one of us or StudioBoxx personnel.
- If a dancer is not doing well (dizzy, drunk, in pain) or is injured, please go to StudioBoxx staff and ask for EHBO/BHV.
- If there is a slipping hazard on the floor, please notify us.
- In any case of fire hazards, please notify us.
- In any case of unwanted behavior, intimidation or dangerous behavior, please notify us.
